Cornish Yarg	£3.75				
Cornish Kern	£4.10				
Dorset Red Smoked	£3.45				
Smoked Lincolnshire	£4.15				

How much cheese do you need?

Typically, expect to need about 30 – 50g of each cheese per person. Think about having a few really good cheeses, rather than lots of different ones – don't forget, your guests will have already tucked into Christmas dinner!

CHRISTMAS ORDER FORM 2026

PLEASE NOTE:

ALL orders will require a non-refundable deposit of up to 50% of estimated order total.

If you are placing your order online, we will get in touch to arrange payment of the deposit.

Unfortunately, we are not able to deliver or send orders by post.

Yarlington		£14.00							

Looking after your cheese:

Most cheeses will be fine if you collect them up to a week before you're going to tuck in. Keep them in the fridge when you get them home (the salad drawer is a perfect spot for cheese!), but don't forget to give them a good hour or two to come up to room temperature, so that they taste their best!
